

PRODUCT INFORMATION SHEET

Rechargeable LED Flashlights from COAST

A25R

- Lumens: 466
- Beam Distance: 171 meters (560 ft.)
- Pure Beam Focusing
- Flex Charge Dual Power Rechargeable
- Pro-Tek Charging Port
- Speed Focus Control
- Stainless steel casing; impact and water resistant; includes heavy duty sheath
- Run Time: 7 hours 30 minutes

COAST A25R Rechargeable Flashlight

A22R

- Lumens: 241
- Beam Distance: 113 meters (370 ft.)
- Pure Beam Focusing
- Flex Charge Dual Power Rechargeable
- Pro-Tek Charging Port
- Speed Focus Control
- Stainless steel casing; impact and water resistant; includes heavy duty sheath
- Run Time: 3 hours 30 minutes

COAST A22R with Exclusive Charging System

HP7R

- Lumens: 201
- Beam Distance: 306 meters (1003 ft.)
- Flex Charge Dual Power Rechargeable
- Pro-Tek Charging Port
- Speed Focus Control
- Long Range Focusing Optic
- Run Time: 7 hours 45 minutes

HP7R with pop-up USB charging port

HP5R

- Lumens: 181
- Beam Distance: 172 meters (564 ft.)
- Flex Charge Dual Power Rechargeable
- Pro-Tek Charging Port
- Speed Focus Control
- Long Range Focusing Optic
- Run Time: 3 hours 40 minutes

HP5R with long range focusing optic

A9R

- Fits comfortably in a shirt or coat pocket
- Rubberized, removable, and adjustable stainless steel pocket clip
- Pro Flex Charging Cap
- Impact and Water Resistant

A9R Charging System

Revolutionary Technology

- **Flex Charge Dual Power Rechargeable System** (A22R, A25R, HP7R and HP5R) – a COAST exclusive, including the **Pro-Tek Charging Port**, with a tail cap that pops up to reveal a micro USB port the charging cable plugs into. Lithium rechargeable batteries are included, but the lights can also run on standard alkaline batteries. Batteries can be charged inside the flashlight, or outside with a spare cartridge that is included, so they can always have a fresh battery ready.
- **Long Range Focusing Optics** (HP7R and HP5R) – COAST proprietary technology and new optics that produce an effective beam distance of 306 meters (1003 ft). The lights deliver a bright, intense X-Range Spot Beam at incredible distances, while still offering a consistent circle of light in the Broad View Flood Beam mode.
- **Pure Beam™ Focusing System** (A25R and A22R) – patented proprietary optics that produce a pure, bright consistency across the entire beam; whether it is the Bulls-Eye Spot mode or Ultra View Flood Beam mode.
- **Fingertip Speed Focus Control™** (A22R, A25R, HP7R and HP5R) – another first from COAST. Users can keep one hand free while focusing the flashlight with just a thumb or finger by sliding the front bezel forward or back.
- **Cyclone™ Heat Sink System** (A22R, A25R, HP7R and HP5R) – ingenious COAST-exclusive that decreases heat buildup, facilitates maximum light output and increases LED lifespan. They also feature both high and low output modes to conserve battery life, include the **Beam Lock™ System** and have rear switches.

- **Pro-Flex Charging Cap System** (A9R) – attaches to the head of the unit (see photo above). It shines a pure white inspection beam in a compact, seven-inch case that is only 3/8-inch in diameter. The A9R is impact and water resistant. It's the perfect pro penlight with a lithium polymer battery.

COAST rechargeables are shipping now. For more information, follow one of the social media channels listed below or the [COAST website](#).

COAST Products – A History of Innovation

Well-known for their knives and multi-tools, for nearly 85 years, COAST is now a market leader in premium LED flashlights – developing innovative products trusted by everyone from the weekend warrior to the Navy SEALs and soldiers in Iraq and Afghanistan. **COAST's** technologically advanced products are safer and easier to use, while at the same time being extremely functional and enjoyable to own. **COAST Products** was founded as **COAST Cutlery Company** in 1919. Originally established to provide quality knives to the farmers, ranchers and workers of the Pacific Northwest, today **COAST** produces premium LED lighting products, including top-rated [flashlights](#), [headlamps](#) and [EAL](#) (emergency area lighting), as well as fine-crafted [knives](#) and world class [multi-tools](#). Every **COAST** product reflects an investment in skilled craftsmanship and quality materials and is backed by a **COAST** guarantee. **COAST** products are available from leading home centers, hardware stores, professional outlets, sporting goods stores, automotive stores and suppliers, and numerous online retailers.
